

Project Information – Book Bungalow

Miscellaneous

May 2017

1. If you would like to make your own Bungalow there are many designs available. Check out Pinterest or <https://littlefreelibrary.org/> or ideas.
2. If you call it a little Free Library, there is a \$40.00 a library registration and you go to their site to register.
3. If you want to call it a Book Bungalow there is no registration cost. We would like to be contacted and made aware if you do create your own Book Bungalow. Connect with Literacy for Life Foundation at 403.652.5090 or info@litforlife.com to have your Book Bungalow displayed on the map. At this time, it is only for the **Town of High River**. We will keep a list of other locations and will look at ways of creating a document to promote your location and look at a map in the future.
4. If you install on your property call or go to <http://albertaonecall.com/homeowners/> You need to check for wires and gas lines etc.
5. Do not install on public property without permission from your municipality.
